2.000 Credits
- M00000 MATH 9-12 PLACEHOLDER  
2.000 Credits
- U00000 SOCIAL STUDIES 9-12 PLACEHOLD  
2.000 Credits

(\*) A teacher has recommended this course.

# Scheduling

---

- March 2022
  - Course requests in Skyward will close. If changes need to be made from March through the end of the 2022-23 school year, students must see their counselor.
- After May 25 (last day of school), schedule changes will only be made based on policy outlined in the Student Handbook.

# Scheduling continued

---

- Students do not request core subject area courses. These courses are recommended by the current teacher.
- No required history course next year. Students may opt to take a history elective, but there is no requirement for 10th graders.
- One semester of Health is required for 10th graders; consider adding your required Technology credit, if not already complete

# Scheduling continued

---

- Students have the option to pick 5 or 7 other credits, depending on credits completed in 9th grade. Total number of credits requested for next year should equal 14.
- Select and prioritize 3 alternative courses. We often use alternate courses when schedule conflicts arise, so please make sure these are courses the students will be okay with taking as well.

# Choose Electives Wisely!

---

- Use your results from Naviance assessments to pick electives of your interest (Career Interest Profiler activity from Advisory).
- Read descriptions of the class in the course description book, talk to teachers who teach the course, consult other students who have taken the class.

**\*\*\*No Elective changes will be made on or after the first day of school in the Fall.\*\*\***

# Naviance

<https://student.naviance.com/chestertonshs>

---

**Continue as student,  
choose "Continue with Clever",  
use your Active Directory sign in.**

- Research different careers in a variety of ways
- Take career interest inventories
- Research post secondary options
- Start list of colleges you are interested in
- Do scholarship search
- Resume Builder
- Keep list of activities
- Planner

# Advanced Placement

---

- Advanced Placement (AP) is a national curriculum through College Board that enables students to pursue college-level courses-with the opportunity to earn college credit, advanced placement credit, or both-while still in high school.
- CHS currently offers 15 AP courses. Students must take the exam at the end of the year if they are enrolled in an AP course.

# Dual Credit

---

- Dual Credit opportunities are available for many of our classes at CHS and programs at the Porter County Career and Technical Education (PCCTE) center. These courses provide a way for students to earn college credit for a reduced fee.
- A list of dual credit classes are listed in the Course Description Book.

# International Baccalaureate

---

- The International Baccalaureate (IB) Diploma program is a two-year program (11<sup>th</sup> and 12<sup>th</sup> grades) at CHS. The courses are advanced college prep courses designed to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect.
- IB curriculum focuses on depth rather than breadth of knowledge meaning students learn significantly *more* about *fewer* subjects. Students complete course work in the fields of English, History, Science, Math, World Languages, and as an option, the Arts.

# Career & Technical Education

---

Students entering their Junior and Senior year of high school will have the opportunity to apply to take a course through the Porter County Career & Technical Center. These courses are worth 8 credits in a school year and offer a hands-on experience. Most classes also offer dual credit opportunities.

- Health Science
- Auto Services
- CAD & Animation
- HVAC
- Radio & TV
- EMS
- Criminal Justice
- Culinary
- Dental
- Diesel Service
- Fire and Rescue
- Welding
- Industrial Mechanics
- Graphic Imaging Technology

- Horticultural Science
- Strategic Marketing
- Electronics
- Fundamentals of Sports Medicine
- Entrepreneurship/Sports & Entertainment Marketing
- CISCO Networking
- Computer Tech Support
- Early Childhood Education
- Education Professions
- Precision Machining
- Veterinary Careers

**PORTER COUNTY**  
CAREER & TECHNICAL CENTER

# Career Exploration Internship

---

- Students entering 12th grade have the opportunity to work with an internship site in the public or private sector to learn real world job applications in a specific career field. Students can earn between 1-3 credits per semester.

# Graduation Pathways

---

The purpose of Graduation Pathways is to create an educated and talented workforce able not just to meet the needs of business and higher education, but be able to succeed in all postsecondary endeavors. Students must satisfy the following Graduation Pathway Requirements by meeting **one option in each of the three Buckets**:

- Bucket 1: High School Diploma
- Bucket 2: Learn and Demonstrate Employability Skills
- Bucket 3: Postsecondary-Ready Competencies

# Bucket 1: High School Diploma

---

- Core 40: Indiana's minimum requirements
- Core 40 with Academic Honors
- Core 40 with Technical Honors
- General Diploma: requires a meeting with counselor and signing a Core 40 opt out form

Course Description Book: [duneland.k12.in.us](http://duneland.k12.in.us)

Select CHS→Counseling Office→Course Descriptions

## Bucket 2: Learn and Demonstrate Employability Skills

---

Students must learn employability skills standards through locally developed programs. Employability Skills are demonstrated by **ONE** of the following:

- Project-Based Learning
- Service-Based Learning
- Work-Based Learning

# Bucket 2: Learn and Demonstrate Employability Skills

---

- Project-Based Learning
  - Approved Activities:
    - Computer Science 1
    - Computer Science-Special Topics
    - IB Extended Essay
    - PLTW Computer Integrated Manufacturing
    - PLTW Civil Engineering and Architecture
    - Trailbound (Topics in History)
    - Other approved activity

# Bucket 2: Learn and Demonstrate Employability Skills

---

- Service-Based Learning
  - Approved Activities:
    - Extra-curriculars (CHS Band, Choir, Orchestra, Sport or Club)
    - Community Service (Eagle Scout, 4-H, HOSA, or Other Approved Activity)
    - Service Based Courses (CAS Project, Community Service)

# Bucket 2: Learn and Demonstrate Employability Skills

---

- Work-Based Learning
  - Approved Activities:
    - Governor's Work Ethic Certification
    - Outside Employment
    - Approved Course (CHS Course, PCCTE Course, School-based Enterprise, Registered Apprenticeship, Internship)

# Bucket 3: Postsecondary-Ready Competencies

---

Students must complete at least **ONE** of the following:

- Academic or Technical Honors Diploma
- ACT College Ready Benchmarks (18 in English OR 22 in Reading AND 22 in Math OR 23 in Science)
- **SAT College Ready Benchmarks (480 in EBRW and 530 in Math)**
- ASVAB (Minimum score of 31)
- State & Industry Recognized Credential or Certification
- Federally Recognized Apprenticeship
- Career-Technical Education Concentrator (Must earn a C average in at least 2 CTE courses)
- AP/IB/Dual Credit Courses (Must earn a C average or higher in at least 3 courses)
- CLEP Exams (Minimum score of 50 on at least 3 subject area exams, one in core)
- Locally Created Pathway
