Students and staff will be given 2-weeks notice if moving to Level 3 (100% at-school learning for those selecting in-person model) during the 9-week grading period.

Students and staff may only be given hours notice if moving to Level 5 (100% remote) at a classroom, grade, school or district level during 9-week grading period.

Students from the same family, but with different last names will be scheduled to attend on the same day.

Cohort adjustments (A-K and L-Z) will only be considered to accomodate class balancing.

Families that would like to change from an in-person to remote model (or vise versa) are asked to make the change in Skyward by Friday, August 14th.
