The Chesterton Trojan Soccer Camp is a skills camp conducted by the boys and girls high school coaching staff along with several current players. Some of the skills to be taught include: flexibility program, speed improvement, agility drills, individual skill development, tactical knowledge, small-sided progression, and full-sized games depending on age groups. The goal is to expose the players to a positive atmosphere where they can gain knowledge of the game, have fun, and become acquainted with the coaching staff.

Attire: Each player should come to camp ready to play with his or her own shin guards and water bottle.
