Assessments will take place in May. These assessments assist with summer school opportunities, provide school personnel with a general awareness of your child's kindergarten readiness and determine a starting point for instruction in the classroom:

- [Brigance Early Childhood Screen III](#): The screening tool evaluates the key predictors of school success by addressing the domains of Physical Development, Language Development, Academic Skills/Cognitive Development, and Self-help and Social-Emotional Skills.
- [Minnesota Executive Functioning System](#): Screens a child's neuro-cognitive skills needed for successful learning and performance in school, at work, and in life. They include cognitive flexibility, working memory, and inhibitory control.

STEP 5: COMPLETE REGISTRATION IN JULY 2021

During Duneland School Corporation's Online Registration period, you will be required to sign back on to your Skyward Parent Access to complete your incoming kindergarten student's registration.
