Mid-Week Updates

Bailly Families -

Please see below for TWO important updates!

1) Today, your student is bringing home lots of information regarding our upcoming Read-a-thon! This event is organized by the PTO, and it's a great opportunity for your child to dive into consistent reading AND possibly raise some funds to support our school. We are so excited about this event, which will run from November 12th - November 29th. There are NUMEROUS prizes your child can earn by participating (including a pizza party, becoming the Bailly principal, and other fun things)! Please review the information, let us know if you have any ideas on local companies who may wish to become sponsors, and help get your child excited about participating!!

2) Next week, students will participate in the annual Body Safety presentations with Sara Hoyt, from Dunebrook. All DSC Students participate in these presentations each year. Any parent can attend the informational event related to these presentations this Thursday, November 3rd, at 5:30 PM in the Bailly cafeteria. If you do not want your child to participate, please be sure to return the denial form to our office ASAP.

We are very excited for the month of November as we have so many exciting events with Veterans Day, Barnes & Noble Night (November 11th), and our Read-a-Thon. Thank you in advance for your participation and support!
