## News

JANUARY 12, 2024

---

Dear Families -

We sure hope your snowy Friday is going well. Thank you to all families, students, and our amazing teachers for their efforts with today's eLearning day. We appreciate you!

Please remember that there is no school on Monday, January 15th, in observance of Martin Luther King, Jr. Day. Quarter 2 grades and comments are now available in Skyward in your student's Portfolio. We will send Quarter 2 report cards home next week.

**Riley Children's Hospital Fundraiser:** Beginning on January 16th (and running through the 19th), students can participate in a fundraising event for the Riley Children's Hospital & Foundation. Students can bring in money ANY day (Tuesday through Friday) and give it to their teacher. Once they make a donation of any amount of at least 50 cents, the student can put their name on a snowflake. On Friday, students get to slap their snowflake stickers on our display board to showcase all of our donors! We will then draw several winners from each grade level to earn prizes!

Please keep in mind our [Snow Procedures](#) for students and outdoor recess. Please also remind your child to follow recess procedures and expectations when playing in the snow! In order to play

in the snow, students must be wearing a coat, gloves/mittens, snow boots, snow pants, and a hat or hood.

The weather forecast is predicting that we are in for a very cold weekend - stay safe & warm!

**Upcoming Dates:**

January 15th - No School (Martin Luther King, Jr. Day)

January 16th - 19th - Riley Children's Fundraiser

January 25th - PTO Meeting at 6:00 PM

January 29th - No School (Teacher Professional Development day)

February 14th - Valentines Parties

February 16th & 19th - No School (winter break)

## Counselor Connection from Ms. Kellogg

I hope everyone had a wonderful break and it has been wonderful seeing your student back at school this week. This quarter for our Social Emotional lessons teachers will be using a curriculum called

SOCIAL EMOTIONAL  
*learning*  
RESOURCES

The Zones of Regulation. Please see a description below of what your child's classroom teacher will begin introducing next week and the zone colors and a brief description of each zone. We are excited to begin using The Zones of Regulation, a self-regulation tool, school-wide.

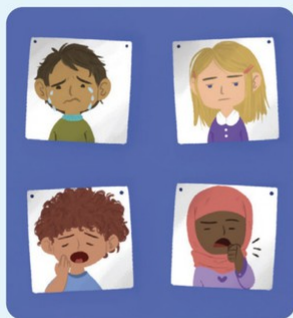

# THE **ZONES** OF REGULATION®

## Getting Started with The Zones at School

The Zones of Regulation is the original framework and curriculum (Kuypers, 2011) that develops awareness of feelings, energy and alertness levels while exploring a variety of tools and strategies for regulation, prosocial skills, self-care, and overall wellness.

This curriculum provides us an easy way to think and talk about how we feel on the inside and sort these feelings into **four colored Zones, all of which are expected in life.**

Once we understand our feelings and zones, we can learn to use tools/strategies to manage our different Zones in order to meet goals like doing schoolwork or other tasks, managing big feelings, and healthy relationships with others. The simple, common language and visual structure of The Zones of Regulation helps make the complex skill of regulation more concrete for learners and those who support them.

### Blue Zone

Sad - Bored  
Tired - Sick

### Green Zone

Happy - Focused  
Calm - Proud

### Yellow Zone

Worried - Frustrated  
Silly - Excited

### Red Zone

Overjoyed/Elated  
Panicked - Angry - Terrified

If you have any questions or concerns please feel free to reach out to me.

Stay warm & safe this weekend!

Ms. Kellogg

## Elementary School Day Schedule

Students in grades K-4 will attend school from 8:00 AM - 2:20 PM.

Our school doors will open at 7:40 AM each day, which is when we will start operating our car line.

**Students will not be permitted to enter the school building before 7:40 AM.**

### ARRIVAL

1. Students are permitted to enter the building at 7:40. School starts at 8:00.
2. When students enter, they can choose to have breakfast (go to the cafeteria) or not (go to classroom).
3. We ask that all students strive to be at school by 7:50 a.m. so they are ready to start on time.
4. All cars dropping off students should pull up to the curb and follow car line staff members' instructions. If a parent would like to come into the building with your child, please use one of the angled parking spots and walk your child into the office so we can keep the flow of traffic moving efficiently.
5. Students who arrive after 8:00 AM by car must have a parent come into the building and sign in as to the reason the student is tardy.

### DISMISSAL

1. Student dismissal begins at 2:15 PM.

2. It is important to build consistency with students' routines, so families will need to select the "default" mode of transportation their student will use on most days.
  3. Students who must go home a different way than usual must have a note signed by the parent. Phone calls or emails are not sufficient as we may miss those messages during the school day or not receive them in time.
  4. Students may only go home with people who are designated to pick them up. Please make sure to fill out this information at Open House or within the first week of school.
  5. Please see the school documents that show and explain our dismissal process.

## Procedures for Delaying/Closing School

Please review the procedures for school closings and/or delays that may occur due to inclement weather. The decision to close school and engage in a virtual-synchronous eLearning day (see below) or alter the school day is made after collaborating with multiple district personnel, local, state departments and agencies, including: law enforcement, national weather service, highway/street departments, and transportation. In addition, other Porter County school districts are consulted due to partnerships that impact special education and career-technical education students.

Decisions about school delays due to inclement weather will be made as early as possible. In some instances, a school cancellation may follow a two-hour delay. In the event of a two-hour

delay followed by a cancellation, we will do our best to make the decision to cancel school before 9:00 a.m. Delay or cancellation information will be delivered through the Skylert notification system. These notifications are based on the contact information provided in the *General* category within your Skylert notification system. Please review and update (if necessary) your contact information to receive these notifications. School closing/delay information will also be posted on the DSC website ([www.duneland.k12.in.us](http://www.duneland.k12.in.us)) and sent to the following media outlets:

- Radio: WAKE 1500 AM; Indiana 105.5 FM; WEFM 95.9 FM; WDSO 88.3 FM; WGN Radio 720; WBBM Newsradio 780
- Local TV Channels: 2, 5, 7, 9, 32
- Websites: [www.duneland.k12.in.us](http://www.duneland.k12.in.us); [www.emergencyclosingcenter.com](http://www.emergencyclosingcenter.com)

**The following options will be considered during weather emergencies:**

**Option 1:** Start of the school day will be delayed 2-hours. Delayed start times are:

- Elementary - 10:00 a.m.
- Intermediate - 10:15 a.m.
- Middle School - 9:50 a.m.
- High School - 9:40 a.m.

**Option 2:** Students will not report to school; students will participate in an unplanned inclement weather eLearning day ([virtual-synchronous-see Guidelines for Students](#))

- Students will take part in Google Meet sessions with their teachers to receive face-to-face instruction. Teachers will post schedules by 9:00 A.M. Please click on the link above for more information.

**Option 3:** Schools will dismiss early
